RESORTS AND HOTELS

Ponte Vedra Beach's resorts are known worldwide for their superb lodging and recreation facilities. The Four-Diamond Sawgrass Marriott Resort & Spa hailed by Travel + Leisure magazine as a Top 10 Best Golf Resort is undergoing a \$16 million guest room enhancement, transforming each room into a Marriott "Revive" room, bringing guests a new level of service, luxury and indulgence. The AAA Five-Diamond-rated Ponte Vedra Inn & Club has been setting the standard for oceanfront resorts for many years. In November 2006, the Inn & Club opened their new deluxe Spa replacing the resort's former facility with more than three times the space, 22 treatment rooms, a lavish salon, and many new special features

St. Augustine's Renaissance Resort at World Golf Village provides luxury accommodations and upscale amenities. For those who want to immerse themselves in golfing lore, the World Golf Hall of Fame is next door. Golfers can also test their skills on one of two award-winning designer courses. In 2005, the PGA TOUR Spa Laterra opened at World Golf Village. It is the first spa to bear the PGA TOUR name and features special golf-enhanced services and fitness programs comparable to those used on the PGA TOUR.

In St. Augustine's historic district, the Casa Monica, a AAA Four-Diamond specialty boutique hotel, provides 21st century amenities with Victorian Era charm. In 1999, a \$17 million renovation restored the Casa Monica Hotel to its 1888 splendor.

The Hilton St. Augustine Historic Bayfront, opened in 2005, with 72-rooms, the smallest in the Hilton chain. Located on St. Augustine's bayfront, the hotel combines a sense of history with all the modern-day luxuries and amenities guests expect from a Hilton property.

In early 2005, Castillo Real on St. Augustine Beach opened. This beautiful Mediterranean boutique hotel features multiple fountains, hand-painted murals, and a three-story lobby atrium. There are 60 rooms, including six oceanfront suites and 28 whirlpool rooms and suites.

MEETING AND CONFERENCE FACILITIES

World-class resorts, more than 160,000 square feet of meeting space and 5,200 rooms with a unique dose of history make SAPV&B an ideal location for small to mid-size meetings and conventions. Meeting facilities include 55,000 square feet of space at the Sawgrass Marriott Resort & Spa and more than 30,000 square feet of space at the Ponte Vedra Inn & Club. Some inns boast amenities, including Jacuzzis, private porches, sun decks, exclusive beach house use, antique furnishings, decorative fireplaces, bicycles, private entries and, most of all, peaceful luxury.

Ocean-side condominiums, spacious villas, historic district lodges and privately-owned units are available for rent for those visitors who want room to roam. Condo rentals usually are offered for a minimum of three days or longer.
